

## 5 TOUGH QUESTIONS TO ASK

# BEFORE BUYING A CAR

**1**

Beyond the sale price, what other costs should I keep in mind before buying a new car?

**2**

What actions can I take immediately after purchase to save money on car-related expenses in the long run?

**3**

What are my responsibilities if my car is involved in an accident?

**4**

How do I protect myself in the event my car is vandalized and someone steals my belongings?

**5**

What are my responsibilities if my new car is totaled in an accident and I have not paid off the loan?
