

## 5 TOUGH QUESTIONS TO ASK

# BEFORE GETTING MARRIED

**1**

How might our individual credit and legal histories impact our combined financial future?

**2**

Beyond rent or mortgage payments, have we budgeted correctly for our living arrangements?

**3**

What financial responsibilities do we have to family members, today and in the future?

**4**

Do our individual financial safeguards still work now that we're a couple?

**5**

Are there any special financial issues in either of our medical histories?
